Position the moisten pads on the skin areas to be treated. Pat gently with the fingertips to smooth away any folds or wrinkles in the pads.

Cover with cool moistened cotton pads to keep the babobab pads moist. *(use the same water that the pads were placed in)*

Treatment Time With Pads:

- 1st Therapy: 12 minutes
- 2nd Therapy: 20 minutes
- 3rd Therapy: 30 minutes

If the client does not have a very sensitive skin, you may leave the pads on the skin for as long as 30 minutes from the first time.

***Cream Baobab***

- Baobab Cream - H0300325
- Phyto Collastin - H0200155

After removing the baobab pads apply a generous layer of baobab cream. After about 15 minutes gently massage any residual cream into the skin.

For acne scars we can also use the **Phyto Collastin**

***Total Therapy Time***

About 40 - 50 minutes (according to therapy stage)

***ESSENTIAL →***

- Baobab Ampoules - H0100327
